

FINE ARTS WISH LIST

Large Chess set pieces for outdoor game

\$500+

Includes 32 Giant Chess Pieces (board not included)

Giant size w/ 26" King

- Lightweight, durable plastic
- Can be weighted
- Fun for all ages

These Giant Chess Set Pieces are so much fun for schools, events, backyards, hotels, and more. And this durable plastic set is the greatest of them all. It features huge pieces that all have bases of 10" each. And, they are all scaled to regular chess size with the King being 26" tall. They are easy to move around because they are lightweight - but they can also be easily weighted by unscrewing the top piece from the base to fill them with water or sand. They can withstand the outdoor elements and will retain their color in the sun. The set includes 16 white pieces and 16 black pieces, but does not include a board. A board may be purchased separately.

Giant checkers playing pieces

\$155.00

The checker pieces are made from a very strong and durable PVC material that is UV protected and completely waterproof. The pieces will withstand, for instance, average-sized people standing on them.
