The mission statement was not ready for review and thus, will be brought back at the next meeting.

The remainder of the meeting was spent discussing the Goal, Objectives and Strategies document that will ultimately become the Trails section of the Transportation Chapter of the 2030 Comprehensive Plan Update. A number of suggestions were given and debated at the meeting. Mr. Shea will rewrite this document based on the input from the meeting and will send it back out prior to the November meeting. The Commission decided to begin the mapping of routes during the November meeting. Great Bridge will be the starting point.

The Commission asked for an update on the Dismal Swamp Canal Trail project. Mr. Shea indicated that he will give the update when new information is available. It was his understanding that the project is currently out to bid.
