Every effort has been made to ensure the accuracy and timeliness of the information depicted on this map. However, it is not possible to create, maintain, or portray these data herein presented with 100% temporal or spatial accuracy. For this reason the user is strongly encouraged to exercise prudence in the use of these maps.
This map is designed for cursory study only. It is not to be construed, under any circumstances, as a suitable resource for navigation or other critical application, and should never be used for such purposes.
If you have questions regarding appropriate use of this map please call the City's GIS Division at (757) 382-6391.
