---

THE FOLLOWING QUESTIONS WERE ASKED DURING THE PRE-PROPOSAL CONFERENCE.

Question: page 7, Section C #2 Clarify what is meant by the contractor would assume responsibility. Do you mean pick up and dispose/get rid of or to become the generator? You would assume such responsibility as the agent for the City.

Question: Page 12, Section F – It asks that a professional engineer be available at all times. Would a professional geologist suffice? onsite or available is acceptable, which is a requirement by the S.P.C.C.

Question: Should an emergency and non-emergency pricing schedule be submitted?  
As stated on page 22, submit both an emergency and non-emergency schedule. You should give a range on the different options that you have for transporting the chemicals. Be specific on how you would do so.

Question: Would the City be the agent to contact us? Generally the Fire Department would have the responsibility to contact you.

Question: Is the City aware of any non-payments made by the responsible party and how does the City handle that? There was one situation where the City paid then collected from the responsible party.

Question: Do you know what you spent last year on this contract for the 07/08 year? Approximately \$160,000.00.

Question: How long was the previous contract held by the previous contractor? Five (5) and half years.

Question: How long are the prices good for? We go by the Consumer Price Index (CPI). Page 23 states information regarding adjustments to the prices.

Question: Does the City have spills? Yes.
